The Indian American Nurses Association of Greater Houston (IANAGH) is a 501(c)(3) nonprofit organization with the primary goal of uniting all nurses of Indian heritage. We facilitate professional growth and support the unique professional, social, and cultural needs of our members. It is with great pleasure that we announce IANAGH's Nurses Day Celebration scheduled on May 18th, 2024.

At this program, we are expecting nurses and nursing students from the Houston area. Every year, we celebrate Nurses Day to appreciate and acknowledge the key role nurses play in health care.

During our Nurses Day program, we give scholarships (\$500 each) to six nursing students (3 from India, and 3 from the United States) who need some financial assistance. This is made possible by the generous support of sponsors like you, and our members. The sponsorship offers many opportunities for your company such as advertisements in the nursing community, advertising on our web page, and our social media page etc.

Please see the details of each type of sponsorship and payment options below. We appreciate all your support in the past to IANAGH and we look forward to your support and sponsorship. Please do not hesitate to contact us if you have any questions or concerns.

Sincerely,

Reenu M. Varghese, DNP, APRN, FNP-C
